The diagram illustrates the assembly of the dog house. The main structure is a rectangular box with a slanted roof and a door. The door is shown in an open position, revealing the interior. The assembly is labeled with letters and numbers: 'K' and 'H' are used for the door latch mechanism, 'C' for screws, '8' for a specific part of the roof structure, and 'I' for the door frame. A circular inset provides a detailed view of the door latch mechanism, showing how the 'K' and 'H' components are secured with screws.
