PRECAUTIONS

- Before using Joyride, please check if the pull rod and screws are fully tightened. Ensure the wheels are secure and there are no visible signs of damage.
- You are responsible for the safety of your children during the journey. Always supervise your children.
- Only allow adults to carry the suitcase.
- When a child is sitting on the JoyRide suitcase, the accompanying adult must hold the pull rod at all times.
- When pushing the suitcase with a child sitting on it, the adult must firmly grasp the handle, and the child's feet must be placed on the footrest.
- Do not use the suitcase with a child on it on slopes with a large incline.
- The seat of the suitcase can only accommodate one child.
- Do not exceed a walking speed of 5 km/h to prevent the child from falling.
- Avoid using the suitcase with a child on it in rainy or snowy weather to prevent slipping.
- Do not use the suitcase on wet, sandy, muddy, oily, dirty, icy, or uneven roads.
- When folding and expand the suitcase, keep children at a safe distance to avoid injury. Keep the folding frame away from children's reach to prevent them from pinching their fingers.
- Store the suitcase out of reach of children to prevent them from using it unsupervised.
- When using public transportation, prevent the suitcase from tipping over or sliding.
- Prohibit children from moving the JoyRide Suitcase by themselves to ensure their safety.
- JOYRIDE contains small parts that may pose a choking hazard. Keep packaging and small parts away from children to avoid choking or suffocation risks.
